Please submit a letter of intent detailing your qualifications, past experience with animal welfare groups, board positions and affiliations. Please include at least one reference. Applications and letters of intent should be submitted to [general@felineoutreach.org](mailto:general@felineoutreach.org) or faxed to 866-420-8449.

Qualifications include:

- residence in the state of Illinois preferred (at least one member);
  - ability to communicate via email and internet message board (at minimum once daily);
  - belief that a wet diet is the cornerstone of feline health and nutrition;
  - ability to maintain discretion and confidentiality particularly in regards to grant recipients and donors;
  - performance in good faith in accordance with Feline Outreach's mission;
  - knowledge of, or willingness to learn, web design (HTML) and brochure publication are a plus;
  - familiarity with 501(c)(3) charity requirements are a bonus;
  - experience in marketing, public relations, and/or legal expertise would be helpful though not required;
- and
- knowledge or experience with common feline medical conditions (e.g., diabetes, hyperthyroidism, obesity, etc) and current treatment recommendations are preferred.

Duties include: Reviewing financial assistance applications and determining grants as well as assisting in the decision-making process as proposed by board members in accordance with the goals of Feline Outreach.
